

BILLY BUNDLES

What are Billy Bundles?

What was once an act of service by a dear friend, Billy Mahone III, has now been coined as “Billy Bundles.” A Billy Bundle is a way to understand that our unhoused community members are still our neighbors by addressing them with compassion, a snack, or resources.

Anyone can assemble these bags to spread hope to our unhoused neighbors. This is one way we can honor Billy’s legacy while calling attention to humanizing homelessness.

Instructions

- Decide what you would like to include in your bundles in addition to a HomeLink card and Billy Acknowledgment Card.
- Purchase the items you would like to put in your bundle.
- Place the Billy Bundle Sticker on a ziplock baggie.
- Put all items you purchased in the baggie. Repeat as many times as you would like.
- Place the Bundles in your car or work bag to hand out when seeing a neighbor in need.

Suggested Items to Include

We encourage you to include things you would want to see in a bundle. Here are some ideas to get you started: chapstick, hand wipes, body wipes, toothpaste and toothbrush, water, snacks, local resources on a card, a kind note.

How to Approach a Neighbor

Never assume someone you see is experiencing homelessness. You can offer a friendly hello and mention that you have a resource if it is something they are in need of and hold up the bundle for them to see.

Local Resources
