2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

(limit 2500 characters)**

The project is being eliminated at the request of the applicant as part of a strategic change in program design. The applicant determined that pursuing an alternative eligible program type through the FY 2026 CoC Program Competition would better align its resources, service model, and proposed activities with its intended approach for serving people experiencing homelessness.

The CoC considered the applicant's proposed programmatic change, the continued need for the services within the community, alignment with current system priorities, and the applicant's intent to pursue funding under a different eligible project type. Elimination is not the result of project underperformance or a determination that the services are no longer needed. Rather, eliminating the existing renewal project allows the applicant to pursue the alternative program design through the applicable FY 2026 CoC Competition process.

The CoC Board reviewed and approved the elimination of the renewal project on 9/21/26. The applicant was notified of the CoC's decision on 9/22/26.

All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2027, as confirmed on the FY 2026 GIW and also confirmed with dates from eLOCCS. In addition, the project must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).
